October 2015

You've undoubtedly heard the expression "Time heals all wounds." Unfortunately, it isn't true. The truth is, time makes things worse. Wounds that are left untended fester and spread infection throughout your entire body. Time only extends the pain if the problem isn't dealt with. The teachings of "The Beatitudes" helps us understand God's plan for us to have victory over our hurts, hang-ups and habits that hold us in bondage. By putting these attitudes into practice and living by them we can be free from the things that hold us back from fully becoming the child of God we were destined to be in Christ Jesus. This fall we are beginning a new sermon series, The Road to Victory, that will look at the Beautitudes and use the principles developed by the Celebrate Recovery ministry to help us all be victorious believers and followers of Jesus. We will also use the Prayer for Serenity below:

"Prayer for Serenity God, grant me the serenity to accept the things I cannot change, the courage to change the things I can, and the wisdom to know the difference. Living one day at a time, enjoying one moment at a time, accepting hardship as the pathway to peace; taking as Jesus did, this sinful world as it is, not as I would have it, trusting that You will make all things right if I surrender to Your will; so that I may be reasonably happy in this life and supremely happy with You forever in the next. Amen" –Reinhold Neibuhr
