AT&T CELL TOWER/BELL TOWER

The Maintenance Building that will house the generator and all of the electrical equipment for the cell towers.

The bottom framework for the "room" that will house the cell towers.

The "room" that will house the cell towers.

Close-up of the bas relief that is on all four sides of the cell tower. It matches the bas relief over the north exit door of the church and matches the circular windows w/the cross on the front and the back of our building.

"Room" raised in place.
