MAY

2017

We have had a successful month!! We spent a night at 2nd Harvest sorting food for the local food banks. After a short educational lesson on what and how to sort, we sorted onions, apples and pears. The teens really had a good time, and so did the adults. We also did a Mall scavenger hunt where the teens were sent in small groups to search the Mall for items on a list. Some they had to take pictures of and some items they had to collect. The teens and their adult group leaders really enjoyed meeting new people, and being creative with the list. Sunday School is going well meeting every Sunday morning before church service at 8:30-9:30 am. We have started a Youth group night on Wednesday nights from 6-8 pm. We are working on our May events, coordinating with another church for some events that will benefit both groups of teens. If you are interested in working with the teens in any capacity, please contact Mandy at 380-8479. Right now I am looking for people to become mentors for the teens as they go through confirmation.

On Sat. April 22 we met together to make "pillow case dresses" and baby hats for little African children.

"There is a tentative plan for a casual Women's get together on May 20.....but stay tuned to the Sunday bulletin for details"....if it will take place.

A **VERY BIG THANK YOU** to everyone who provided soup, salad and dessert for our Sunday night Lenten Studies.....and for our Saturday EPIC study on March 25. Everything was greatly appreciated!!

A great "work day" was held in April with DSCC and the House of Hope with a delicious lunch and good fellowship.
